

HeartStone Census 2020 of the paired Parish of **Sacred Heart** and **St John Stone**

We are conducting this census to update the details of St John Stone and Sacred Heart parishioners, which we last collected in 2012 to ensure we can keep in touch ; to enable us to plan our Sacramental and Ministry programmes, and plan for community needs ; to find out what personal skills or talents can you devote to parish life?

All parishioners and regular participants please complete this form and return it to the Parish Office.

please tick the ministries you: already help with / are able to help with / want more information about
