

HeartStone's Parish Vision

Living the love of Christ: everyone welcome, everyone matters, everyone involved

We are building our parish vision through the following Mission Priorities that are five facets of a beautiful crystal. These are the five facets of a fully functioning parish.

The 5 Facets of a Fully Functioning Parish are:

Prayer for Mission in our Time and Place

God of the Universe, we give you thanks for all that we share,
for the faith and the community that sustains us.

God of our lives, you are challenging us to follow you into the future,
inviting us to new ventures, new challenges,
new ways to care, new ways to touch the hearts of all.

When we are fearful of the unknown, give us courage.

When we worry that we are not up to the task,
remind us that you would not call us if you did not believe in us.

When we get tired or disappointed with the way things are going,
remind us that you can bring change and hope
out of the most difficult situations.

Bless to us, O Lord the doors we open,
the thresholds we cross, the roads that lie before us.

Go with us as we go, sharing the journey!
